The Chronicle of Higher Education named us one of the Top 10 Education Technology Innovators 2013.

November 7th 2013

We were honored with the 2013 Award for Publishing Innovation by the Association of Learned and Professional Scholarly Publishers.

World-class institutions, including University of California Berkeley, University of Cambridge, Duke University, Texas A&M and Carnegie Mellon have pre-paid PeerJ publication plans for their faculty.

You published 200 articles with us.

We have published the work of 853 Authors. We have a Board of 819 Academic Editors. We have received the valuable input of 716 Reviewers.

Your overall experience with us is 92% positive.

Your experience of the production process is 98% positive.

Your experience of the speed of the process is 86% positive.

Our median time to first decision is 24 days.

75% of Authors made their peer reviews public.

38% of Reviewers provided a named peer review.

We started publishing in February 2013.

We have already saved academia just over $1M.
